Docket: 07BZAV-15 **Public Hearing** **Name:** Michael & Sharon Edwards
Address: 1120 N Elm, Fairmount
Zoning District: Residential-3 (R3)
Legal Description: Being lots #39, 48 & St Vac
Request: To allow construction of an accessory building without a principal building on the same lot

Steve Niblick stated that this request is for one development standard variance; the parcel is located behind 1120 N Elm; and it has no street access but just an open alley. This would create an unusual and unnecessary hardship if the variance is denied. Without road frontage the only way he could build a dwelling would be to request a variance to have no frontage and that would make the lot impracticable for a residence. The alley is used by surrounding neighbors so the alley should not be vacated. APC staff recommended approval of variance and Fairmount Town council gave a favorable recommendation.

Michael Edwards was present; he owns three lots along Elm Street and two lots behind. He tried to combine the lots but could not because of the open alley. The alley should not be vacated because neighbors use the alley. The building would be used for personal use.

No objectors were in the audience and none on file.

Motion: Bob Monroe moved Lois Jones seconded to approve Docket #07BZAV-15. All members present voted yes; vote 6-0; motion carried.
