Comprehensive Plan

Fairmount and Matthews' chapters of the Comp plan were passed out to the board members. Dick Treon and Dick Trobridge will now take their chapters to their respective boards and if any changes are requested notify Steve.

The next two chapters will be Sweetser and Upland; should have something to give the board members by the February meeting. Van Buren and Jonesboro would be the next two and then finish up with the county. Steve hopes to have the entire comp plan ready for a public hearing by next summer.

Once the public hearing is held the APC board would forward recommendation to each jurisdiction to adopt by resolution.

John Bonham stated that if no petitions were filed for the January 7, 2013 meeting the board would not meet until the February 4th meeting and election of officers would be held at that time.

There being no other business Bob Bothwell moved and Dick Treon seconded to adjourn the meeting. All members present voted yes. Meeting adjourned at 7:35 PM.

John Bonham, APC President
